

Sign Service

BRASS

Prestigious brass engraved and filled in with black enamel paint to give a lasting impression.

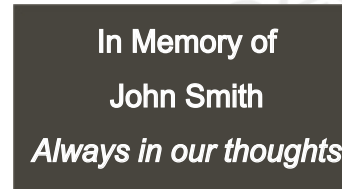

Ideal for business identification, memorial or presentation plaques.

Brass plaques are available with a wood backing, and if necessary a ground stake

All brass requires cleaning to maintain its shine.

BRONZE

Phosphur bronze is engraved and filled with a white enamel paint.

With age the bronze darkens to leave a lasting message.

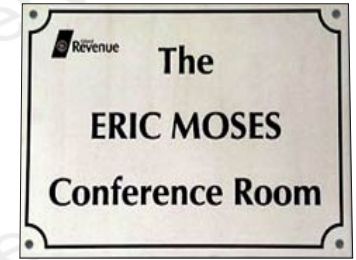

Ideal for memorial or presentation plaques. Bronze plaques are available with a wood backing, and if necessary a ground stake.

No maintenance required.

For a list of sizes and prices please look at the order form

STAINLESS

Stainless steel is laser marked with a black glass compound. It is highly resistant to scratches, and is resistant to spirit or acid based chemicals. Wood backed signs are available as are ground stakes.

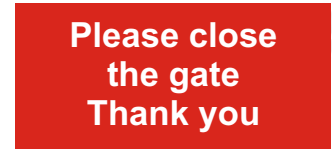

No maintenance required.

LAMINATE

Made up of two flexible layers of plastic the top layer is engraved leaving a permanent message. Ideal for business or personal identification.

Also used for safety or information signs.

A wide range of colours available.

For a list of sizes and prices please look at the order form

Rustic House Signs

Sliced pieces of wood with your requirements engraved.

This creates a natural sign ideal for outdoor use. Available in three sizes.

All wood does require maintenance.

Black MDF Signs

MDF heavily treated for outdoor use. Graphics are then applied to the black sign in white, cream or gold

No maintenance required.

Cast Aluminium

Black coated aluminium engraved and painted white. Ideal for outdoor use

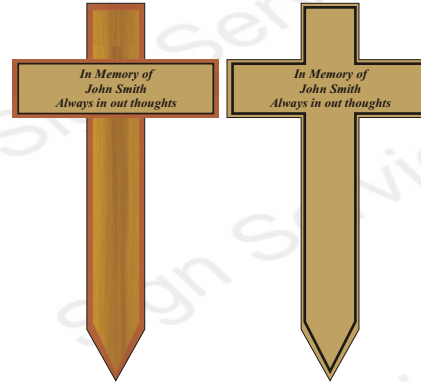

No maintenance required.

For a list of sizes and prices please look at the order form

Memorial Crosses

Wooden cross with a gold laminate sign. The wooden cross will need maintenance.

Or a thick gold laminate cross. For a more economic alternative, that requires no maintenance.

Personal Identification

Door mounted aluminium sign holders. Available in gold or silver and in many sizes.

Once the sign holder is in place, laminate inserts can be inserted and removed as required.

Any choice of laminate colour can be made. (see choice of colours overleaf)
